GENERAL INFORMATION

LOCATION—The Sale will be held in the livestock pavilion at the Clay County Fair Grounds, Spencer, Iowa, Saturday, October 14, 1950 at 12:30 p. m. The Fair Grounds is located in the northwest part of Spencer, 4 blocks west of U. S. highways No. 71 and No. 18. Spencer is on the main line of the Milwaukee Railroad.

TERMS—The terms of this sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off and will be loaded in compliance with instructions from purchaser.

GUARANTEE—All cattle are sold subject to a 60 day retest for tuberculosis. Health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed he may be returned to the seller if in as good condition as when sold; if, after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

Any claims for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager, nor the clerk of the sale assumes any liability, legal or otherwise.

PEDIGREE CERTIFICATES—A certificate of registry and transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalogue they were furnished by the consignors or written from information supplied by the consignor.

MAIL BIDS—Mail or wire bids may be sent to: Clinton K. Tomson, Secretary American Shorthorn Breeders' Assn., Chicago, Ill., Mervin F. Aegerter, Seward, Neb., Clem Larson, Callender, Ia., Thos. D. Sherlock, Wallaces Farmer & Iowa Homestead, Des Moines, Iowa, Albert J. Hamann, Rock Rapids, Iowa, or to the auctioneer, J. E. Halsey, Box 1317, Des Moines, Iowa.

OUR INVITATION

We invite you to the sale which we are sure you will want to attend, The Spencer Shorthorn Sale at the Clay County Fair Grounds at Spencer, Iowa, Saturday, October 14, 1950.

The reasons which we believe will make you want to attend this sale are that we are sure, and have tried to make it so, that this is the best fall consignment sale to be held in the Midwest. Where else will you find individuals and breeding such as these? We have animals listed that have won the highest honors in National shows, and animals that have sold at the top of the best Shorthorn sales in the nation. The bloodlines cannot be faulted and are good enough to go into any herd. Many of these animals were selected purely for herd building purposes from top herds in the United States and Canada. The choice quality and the offering of top producing young brood cows with calves at foot and re-bred, and choice bred cows and heifers is made possible in a large degree to the fact that three consignors find it necessary, due to health or operational changes, to either disperse or partly disperse very select small herds which they took particular pains to assemble several years ago. Because it is necessary for them to make these changes, it presents an unusual opportunity for both established herds and new breeders to benefit in purchasing seed stock which would otherwise not be offered for sale.

The other consignors have also dug deep into their breeding herds to offer the kind of cattle that will be a profitable investment to the buyer.

Again, we say without reservation that we have bulls bred well enough to go into any herd, and may we call attention to the quick return on investment possibilities of the young cows with calves at side and re-bred, and cows and heifers well along in calf.

Also, for the benefit of our future generation of Shorthorn breeders we are making every effort to have on hand to be sold in connection with this sale a group of choice 4-H steers and heifers.

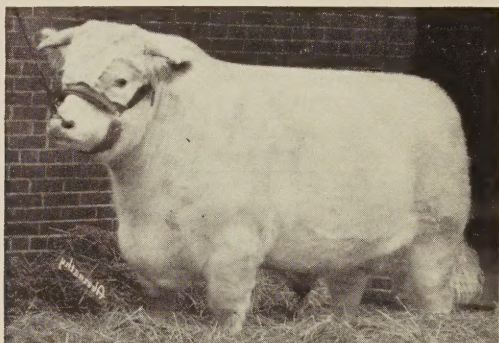

May you be with us on Saturday, October 14, 1950.

SALE MANAGER
Albert J. Hamann,
Rock Rapids, Iowa.

RESERVATIONS—Hotel Tangney, Spencer, Iowa, will be sale headquarters. Room reservations may be made by writing the manager in advance.

LUNCH will be served on the grounds.

He was a winner at the Eastern National, The American Royal, the International, Denver and Ft. Worth. He was grand champion and top selling bull at \$2050.00 at the 1948 Iowa Royal. As a four-year-old he still retains his showyard form and still has many years of service ahead of him. Please note his get in this sale and you will agree he is a sire as well as a show bull. It is only due to dispersion that a bull with a record such as this is for sale.

GOLDFINDER'S CUPBEARER 3d—This bull is a show prospect and is very nearly the image of his prize winning sire. His dam was a grand champion female over all breeds at the 1947 Valley City North Dakota winter show, and was a grand champion and top selling female in the 1947 Sioux Empire Show and Sale. This bull, if shown, would have done well in the summer yearling class. A real prospect with plenty of close-up championship blood.
